## Cyprus Lefkosa Message from James Swanson

“Philip is returning to the UK on Tuesday to hopefully commence treatment for his illness which is most probably Myeloma but still not 100% certain. He is feeling very unwell so please do pray for him and the family. As a church we need the Lord's strength and guidance more than ever. We are giving thanks for the many mercies we have seen, reminding us that this is not outside of the Lord's perfect plan “

Please pray for James today as he preaches at the two services back to back as well as being Phillip's last service with them for what is likely to be a very long time
